Leaving This Place (Gonna Find Me Another Time And Space) - Alan Chapman 29Oct2023

Came dusk 25Oct2023 in my head walking up Bradgate Rd after passing farmhouse after seeing new manager John Monro smoking a roll-up outside back door of Hare & Hounds (he was just 'there' when I walked around the back). 'The Balance of Being Born' emerged 27Oct (ref my email from RABgmail to spinning babies'com re Robert Temple, after searching 'balance of being born') as a hook without a melody and merged like magic.
